Dear Sir:

This paper is responsive to the Notice of Draftsperson's Patent Drawing Review issued July 17, 2000 in connection with the above-identified patent application. This paper is also submitted to provide a Sequence Listing for this application, to provide a statement indicating that the invention was made with government support, and to correct minor errors in the specification. Applicants respectfully request entry of each of the amendments set forth below. Additionally, Applicants would like to thank the Examiner for her time and patience in considering these amendments and the remarks set forth herein.

Amendments to the Specification begin on page 2 of this paper.

Amendments to the Drawings begin on page 3 of this paper. A "Replacement Sheet" corresponding to each sheet of originally-filed drawings can be found in the Appendix filed herewith.

Remarks begin on page 4 of this paper.
